

## CURRICULUM VITAE

- A. **NAME (Underline Surname):** AKPORHUARHO, Okpako Phillip  
**DATE OF BIRTH:** March 27<sup>th</sup>, 1964  
**DEPARTMENT:** Animal Science  
**DATE OF APPOINTMENT:** December 12, 2006  
**STATUS AT FIRST APPOINTMENT:** Assistant Lecturer
- B. **PRESENT STATUS:** Assistant Lecturer  
**PRESENT SALARY:** UASS 2 STEP 2  
**DATE OF LAST PROMOTION/PRESENT APPOINTMENT:** NIL
- C. **UNIVERSITY EDUCATION (With Dates)**
- |                                                    |                                 |
|----------------------------------------------------|---------------------------------|
| Ambrose Alli University, Ekpoma                    | Ph. D in view 2007/2008 session |
| Ambrose Alli University, Ekpoma                    | 2003 – 2006                     |
| Delta State University, Abraka                     | 1995 – 2000                     |
| Bendel State College of Agriculture, Anwai – Asaba | 1983 – 1985                     |
- D. **ACADEMIC QUALIFICATION (With dates and granting bodies)**
- |                                                                                 |         |
|---------------------------------------------------------------------------------|---------|
| Ph.D (Animal Science)<br>Ambrose Alli University, Ekpoma                        | In view |
| M.Sc (Animal Breeding and Genetics)<br>Ambrose Alli University, Ekpoma          | 2006    |
| B.Sc (Agric. Education)<br>Delta State University, Abraka                       | 2000    |
| OND (General Agriculture)<br>Bendel State College of Agriculture, Anwai – Asaba | 1985    |
- E. **PROFESSIONAL QUALIFICATIONS:** NIL
- F. **PROFESSIONAL EDUCATION QUALIFICATION:** NIL
- G. **TRAINING PROGRAMMES ATTENDED**  
Human Resources Development Training by Delsu, Asaba campus
- H. **MEMBERSHIP OF LEARNED/PROFESSIONAL SOCIETIES:**  
Member, Animal Science Association of Nigeria.
- I. **EXPERIENCES SINCE BASIC QUALIFICATION:**  
Lecturing, Department of Animal Science,  
Delta State University, Asaba Campus  
Assistant Lecturer Jan. 2007 – Date

J. **OTHER RESPONSIBILITIES**

Departmental Course Co-ordinator/Adviser  
500 Level Animal Science

2007 – date

K. **RESEARCH:**

M.Sc. Relationship between udder measurement and milk production in WAD and WB goats reared under semi-intensive management system.

**In Progress**

Ph. D Thesis – Assessment of different mating method in goat breeding and milk production in WAD RS and WB goat reared under semi-intensive management system.

L. **LIST OF PUBLICATIONS**

**Journal Articles:**

- i. Akporhwarho, P.O. Mmereole, F.U.C and Udeh, I. (2008). The effect of supplementing maize (*Zea mays*) with almond (*Prunus dulcis*) leaf meal on broilers performance. *Journal of Sustainable Tropical Agriculture Research*. 26:41-44.
- ii. Otoikhian, C.S.O., Otoikhian, A.M., **Akporhwarho, O.P**, Oyefia, V.E and Isidahomen, C.E (2008). Body measurement parameters as a function of assessing body weight in goat under on- farm research environment. *African journal of General Agriculture*. Vol. 4:3 Pp. 135-140. <http://www.asopah.org>.
- iii. Otoikhian, C.S.O, Otoikhian, A.M., **Akporhwarho, O.P** and Isidahomen, C.E (2008). Correlation of boy weight and some body measurement parameters in Ouda sheep under extensive management system. *African Journal of general Agriculture*. Vol. 4:3 Pp. 129-134. <http://www.asopah.org>.
- iv. Otoikhian, C.S.O, Orhanata, M.A., Otoikhina A.M, Kperegbeiyi, J.I., Oyefia, E.V., Aphun, A. and **Akporhwarho, O.P**. physiological response of local (WAD) and adapted Switzerland (white Bornu) goat breed to varied climatic conditions in South-South Nigeria. Accepted March 1<sup>st</sup> 2009 in *African Journal of General Agriculture*.
- v. Akporhwarho Okpako Philip (2009) Assessments of udder size and milk yield of West African dwarf (WAD) goats reared under semi intensive management system in Humid Nigeria. *Journal of sustainable Tropical Agriculture Research (Accepted October 2009)*
- vi. Bishop .O. Ovwigho, F.U.C Mmereole. I Udeh and P.O. Akporhwarho (2009) comparison of constraints to poultry producers in Delta State Nigeria. *International Journal of Poultry Science* 8(5), 480 – 484.

**Conference Paper:**

- i. Otoikhian, C.S.O., A.M Orheruata, J.A Imasuen, G.G. Utulu and **P.O. Akporhwarho** (2006). Live-animal transportation in Nigeria. Problems and Prospects. In: T.R Muhammed, F. Bibi-Farouk and Y. Shehu (Eds.) of the Proceedings of the 31<sup>st</sup> Annual Conference of Nigeria Society for Animal Production held from 12<sup>th</sup> – 15<sup>th</sup> March, 2006, at Bayero University Kano, Nigeria. Pp. 156-157.
  - ii. Otoikhian, C.S.O, A.M Orheruata, J.A Imasuen, G.G, Utulu and **P.O. Akporhwarho** (2006). Abattoir a missing component in Nigeria livestock industries. Proc. of the 11<sup>th</sup> Annual Conference of Animal Science Association of Nigeria held 18<sup>th</sup> – 24<sup>th</sup> September 2006 at Obafemi Awolowo University, Moore Maintation, Ibadan, Nigeria. Pp. 296-298.
  - iii. Otoikhian, C.S.O, A.M Orheruata, J.A Imasuen, G.G, Utulu and **P.O. Akporhwarho** (2007). Overview of some basic operations carried out in Abattoir. Proc. of 1<sup>st</sup> Annual National Conference of School of Agriculture, Delta State Polytechnic, Ozoro, Nigeria. 8-10<sup>th</sup> July, 2007. Pp. 148-151.
- M. **CONFERENCES ATTENDED WITH PAPERS READ:** Animal Science Association of Nigeria (ASAN) Ife 2009
