

CURRICULUM VITAE

PERSONAL DATA

Name: ISIKWENU JONATHAN OGAGAOGHENE
Home Town: Irri, Isoko L.G.A. Delta State
Date of Birth: 9th July, 1952
Marital Status: Married
Number and Ages of Children: Oghenefego (26), Oruaroghene (25), Oghenekaro (23), Ewomaoghene (16).
Contact address: Department of Animal Science Delta State University, Asaba Campus, Asaba, Nigeria.
E-mail: jisikwenu@yahoo.com.
Tel: 08036786107.

EDUCATIONAL INSTITUTIONS ATTENDED AND QUALIFICATIONS WITH DATES

- i. Delta State University, Abraka (Asaba Campus) 1999 – 2006, PhD Animal Science.
- ii. University of Ibadan, Ibadan, Nigeria (1984). Masters of Science (M.Sc.) in Animal Science.(1984)
- iii. University of Ibadan, Ibadan Nigeria (1975 – 1979). Bachelor of Science (Agriculture) in Animal Science (Second Class Hons. Upper Division).
- iv. Essi College , Warri, Delta State, Nigeria (1970 – 1974). West African School Certificate (W.A.S.C.) 1974).

WORKING EXPERIENCE – POSITIONS AND DUTIES

- i. Delta State University, Department of Animal Science Asaba Campus, 1996 to Date. Senior Lecturer. Course handled include:- Principles of Animal Production and Introduction to General Agriculture, Animal Nutrition (200 level). Non Ruminant Animal Production (300 level). Ruminant Animal Husbandry (400 level). Nigerian Feeds and Feeding Stuffs , Range Management and Improvement, Advanced Animal Production and Advanced Animal Management (500 level). Supervision of Final Year Projects and Industrial Training (SIWES). Chairman Faculty of Agriculture Examination Committee, Chairman House and Space

Allocation Committee, Chairman Asaba Campus Time Table and Examination Committee and Member of other Committees.

- ii. College of Education, Department of Agricultural Education, Agbor Nigeria 1993 to 1996. Lecturer 11. Courses handled include:- Introductory Animal Production (Pre N.C.E.), Livestock Production 1 (Ruminants) Introduction to Anatomy and Physiology of Farm Animals, Animal Nutrition, Livestock Production 111 (Non – Ruminants) and Supervision of Final Year projects and Industrial Training (SIWES).
- iii. Marymount College, Agbor, 1991 to 1993. Head of Agricultural Science Department. Taught Agricultural Science and Supervised Departmental Activities.
- iv. Oredo Girls School, Benin City 1988 to 1991. Head of Agricultural Science Department. Taught Agricultural Science and Supervised Departmental Activities.
- v. Bendel State College of Agriculture, Ozoro Campus, 1987 to 1988. Lecturer (Part – Time). Courses handled include: Soil classification and Survey, Breeding and Genetics and Pigs and Small Stock.
- vi. College of Theology and Seminary Irri, 1985 to 1987, Registrar: General Administration and Drawing up the Course Curriculum.
- vii. Ministry of Agriculture and Natural Resources, Bendel State, 1980-1984. Agric Officer II, Functioning Principal Agric Officer, Isoko L.G.A, Oleh, 1981-1982.

PUBLICATIONS

Books From Research Work:

- (a) **Isikwenu, J. O.** (2000). Comprehensive Revision Agricultural Science for Senior Secondary Schools and Colleges ISBN 978-2613 – 56-8, B.W. Publishers, Benin City.
- (b) **Nigerian Journals**
 - (a) Akpodiete, O.J. Okagbare G.O. and **Isikwenu, J.O.** (2001). Comparative Responses of Meat-Type Poultry to Poultry Offal Meal (POM) and Dried Maggot Meal (DMM) in broiler diet. Trop. J. Animal Science 4(1); 85-91 (2001).
 - (b) Akpodiete, O.J., **Isikwenu, J.O.** and Okagbare, G.O. (2007). Replacement value of maggot meal for fishmeal in Broiler Diet: Effect on performance characteristic, carcass and organs measurement. Journal of Researches in Agricultural Sciences Vol. 1(2): 10-14.

- (c) **Isikwenu, J.O.**, Bratte, L. and Akpodiete, O.J. (2007). Egg quality characteristics of pullet layers fed urea-treated and fermented brewer's dried grains diets as replacement for groundnut cake. *Journal of Researches in Agricultural Sciences* Vol. 1(2): 20-26.
- (d) **Isikwenu, J.O.** (2007). Performance and Economic Analysis of broiler finisher birds fed urea-treated and fermented brewer's dried grains diets as replacement for groundnut cake. *Journal of Sustainable Tropical Agricultural Research* Vol. 23:45-49.
- (e) **Isikwenu, J.O.** (2008). The effect of urea treatment and fermentation on the nutritive value of brewer's dried grains as a feed ingredient. *Journal of Applied Chemistry and Agricultural Research* Vol. 10:1-11.
- (f) **Isikwenu, J.O.**, Omeje S.I., Okagbare, G.O. and Akpodiete, O.J. (2008). Effect of replacing groundnut cake with urea fermented brewer's dried grains in broiler chicks diets. *Animal Research International* Vol. 5(1): 795-800.
- (g) **Isikwenu, J.O.**, Akpodiete O.J and Bratte, L (2008). Performance and Economic Analysis of egg production of laying pullets fed urea-treated and fermented brewer's dried grains diets in place of groundnut cake. *Global Journal of Agricultural Sciences* Vol.7(1) 61-64.
- (h) **Isikwenu, J.O.** (2008). The effect of urea-treated and fermented brewer's dried grain diets on performance of broilers. *Journal of Sustainable Tropical Agricultural Research* Vol. 26:15-18.

International Journals

- (a) **Isikwenu, J.O.** and Omeje, S.I. (2007). The effect on the blood, carcass and organs of finisher broilers fed groundnut cake diets replaced with urea-treated and fermented brewer's dried grains. *Agricultural Journal (AJ), Pakistan* 2(1): 64-70.
- (b) **Isikwenu, J.O.**, Akpodiete, O.J., Omeje, S.I. and Okagbare, G.O. (2008). The effects of replacing groundnut cake with urea-treated and fermented brewer's dried grains in broiler finisher diets. *Electronic Journal of Environmental, Agricultural and Food Chemistry Uvigo Spain*. 7(1): 2634-2645.
- (c) Isiorhovoja, R.A. and **Isikwenu, J.O.** (2006). Trends in the production of major staple food crops in Delta State of Nigeria. Implication for Food Security. *European Journal Scientific Research*, Vol. 14 (4); 563-568.

- ***(d)** Ovwigho, B.O., Bratte, L. and **Isikwenu, J.O.** (2009). Chicken Management Systems and Egg Production in Delta State, Nigeria. *International Journal of Poultry Science*. 8(1): 21-24.

Chapters in Referred Books

- (a) **Isikwenu, J.O.** and Bratte, L. (1999). Toxins, inhibitors and anti-nutritional factors in some tropical foods and feeding stuffs. In issues in *Animal Science*, S.I. Omeje (ed). Ray Kennedy Scientific Publishers, Enugu. 85-100.
- (b) Bratte, L. and **Isikwenu, J.O.** (1999). Reproductive Characteristics of the Nigerian Sheep. In issues in *Animal Science*, S.I. Omeje (ed). Ray Kennedy Scientific Publishers, Enugu 48-58.
- (c) Akpodiete, O.J. Okagbare, G.O., Mmereole, F.U.C. Bratte, L and **Isikwenu, J.O.** (1997). The role of the livestock subsector in the National Economy. In *Reading in General Studies Vol. III* Uweru B.C. (Ed) Abotu Scientific Publishers Warri 185-193.

Referred Papers in Conference Proceedings

- (a) **Isikwenu, J.O.**, Okpalaefe, C.S. and Mmereole, F.U.C. (1999). Storability of Chicken eggs under different storage conditions. In proceedings of 26th Annual Conference of Nigeria Society for Animal Production (NASP), University of Ilorin, 21st – 25th March, 1999. 393-396.
- (b) Omeje, S.I., Mmereole, F.U.C. and **Isikwenu, J.O.** (1999) Comparative effect of the usual commercial feeds and the cassava base formulation on the performance of Harco and Yafta Cockerels. In Proceedings of 26th Annual Conference of Nigeria Society for Animal Production (NASP), University of Ilorin, 21st – 25th March, 1999. 123-126.
- (c) Akpodiete, O.J., Abu, O.A. and **Isikwenu, J.O.** (1999). Comparative Performance of Laying birds fed Maggot meal in Soybean meal and Groundnut cake Maize based diets. In proceedings of 4th Annual Conference of Animal Science Association of Nigeria (ASAN), IITA, Ibadan, 14th – 16th Sept. 1999. 25-27.
- (d) Bratte, L., Okagbare, G.O., Ikhimiya, I. and **Isikwenu, J.O.** (1999). Age and Body weight and their relationship with testicular and horn development in Yankasa X West African Dwarf Crossbred rams. In proceeding of 4th Annual

Conference of Animal Science Association (ASAN) 14th – 16th Sept. 1999, 161-164.

- (e) **Isikwenu, J.O.**, Akpodiete, O.J., Emegha, I.O. and Bratte, L. (2000) Effects of dietary Fibre (maize cob) levels on Growth Performance of Broiler Birds. In proceedings of 27th Annual Conference of Nigerian Society for Animal Production (NSAP), 19th – 23rd March 2000 at Michael Okpara University of Agriculture, Umudike, Abia State. 158-160.
- (f) Emegha, I.O; Mmereole, F.U.C. and **Isikwenu, J.O.** (2001). The incidence of abnormalities in the Internal Conditions of hatching eggs in selected farms in southern Nigeria. In proceedings of 6th Annual Conference of Animal Science Association of Nigeria (ASAN). University of Maiduguri, Sept. 7th – 19th 2001. 53-57.
- (g) **Isikwenu, J.O.**, Omeje, S.I. and Okagbare, G.O. (2005). Improving the nutritive value of brewer's dried grains by urea treatment and fermentation. In proceedings of the 1st Nigeria International Poultry Summit (NIPS), of the World's Poultry Science Association. Feb. 20th – 25th, 2005 at Ogun State, 63-67.
- * (h) Nwambe, R.N., Omeje, S.I. and **Isikwenu, J.O.**, (2008). Performance and Economic Analysis of Broiler Finisher Birds Fed Potash Boiled Bambara Groundnut (*Voandzeia Subterranea* (L) Thour) Meal as a Replacement for Soyabean meal. Proceeding 42nd Annual Conference Agricultural Society of Nigeria (ASN) October 19th – 23rd 2008, Ebonyi State University, Abakaliki, Nigeria. 733-736.
- * (i) Udeh, I; **Isikwenu, J.O.**, and Ukughere, G. (2008). Performance Characteristics and Prediction of Bodyweight using Linear Body Measurements in Four Strains of Broilers. Proceeding 42nd Annual Conference Agricultural Society of Nigeria (ASN), October 19th – 23rd 2008, Ebonyi State University, Abakaliki, Nigeria. 737-739.

M. **CONFERENCES ATTENDED WITH PAPERS READ**

- (a) The 26th Annual Conference of Nigeria Society for Animal Production, University of Ilorin. 1999 Storability of Chicken eggs under different storage conditions.
- (b) The 2nd Annual Conference of Animal Science Association of Nigeria (ASAN), Ikeja Lagos. 1998.

- (c) The 27th Annual Conference of Nigeria Society for Animal production, Umudike, 2000 – Effects of dietary fibre (maize cob) levels on growth performance of broiler birds.
 - (d) 6th Annual Conference of Animal Science Association of Nigeria (ASAN). University of Maiduguri, 2001.
 - (e) 1st Nigeria International Poultry Summit (NIPS) of World Poultry Science Association, Ota-Ogun, 2005 – Improving the nutritive value of brewer's dried grains by urea treatment and fermentation.
 - (f) 32nd Annual Conference of Nigeria Society for Animal Production, University Calabar, 2007.
- N. **EXTRA CURRICULAR ACTIVITIES:** Preaching The Gospel of our Lord Jesus Christ.

NAMES AND ADDRESS OF REFEREES:

Dr. L. O. Udi Director, Department of Health Services
Anioma South L.G.A, Delta State.

Professor O.J. Akpodiete, Head of Department, Animal Science
Delta State University Asaba Campus.
